Dear Sir,

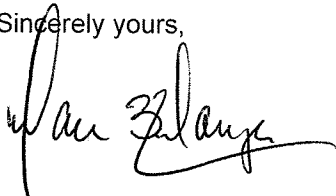

Following a recent qualification review, Bombardier is pleased to inform you that your company is approved as a Classification (A) Subcontractor. The approval has been evaluated based on the desktop audit performed on October 5, 2010, and that your company will continue to comply with QD 4.6-40: Bombardier Aerospace Requirements for Suppliers.

Bombardier Aerospace Quality may elect to audit your facility at any time during or prior to any contract in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment, or management.

It is Bombardier's policy to purchase only from approved suppliers who consistently meet our standards of quality and reliability. We look forward to a lasting relationship driven by a desire for continuous quality improvement.

Sincerely yours,

Marc Belanger
